# Introduction

Laboratory Solutions originated from the idea of transforming a design concept into a tangible product. A product that is designed and built to withstand stringent laboratory environment and the test of time. Laboratory Solutions specializes in fabrication of quality laboratory furniture and fume hoods marketed under the brand name LEAP.

Laboratory Solutions was established in 2015 in Sharjah SAIF zone with high-end European machinery, manned by highly skilled and experienced work force. The company currently operates from a 1800+ Sqm facility with 50+ full time employees.

Laboratory Solutions provides comprehensive turn-key laboratory furniture solutions for customers that are either building a new lab or revamping an existing facility.

LEAP is a new era in long lasting, elegant, adaptable and practical laboratory furniture. Build to European standards using European raw material and hardware. Offering high quality furniture at a competitive price.

Laboratory Solutions offers following range of products:

- ◇ Plinth Based casework
- ◇ Frame based casework
- ◇ Storage Cabinets
- ◇ Fume Hoods

In addition to the complete range of laboratory furniture, LEAP is geared to offer different types of countertops, shelving systems, overhead utility systems, service fixtures and laboratory equipment.

## Mission

The mission of Laboratory Solutions FZC is to manufacture quality laboratory furniture, offer its products and services at a very competitive price and to the satisfaction of its customers

We strive to create strong and reliable partnerships with our vendors and customers. Continue to develop innovative offerings and improve work procedures.

## Values

Inculcate positive work culture with hard work, honesty, dedication, integrity and professionalism.

## Objectives

- ◇ Strive to achieve customer's satisfaction
- ◇ Continue to develop and improve product offerings
- ◇ Maintain quality and deliver on commitment
- ◇ Honour and value human capital

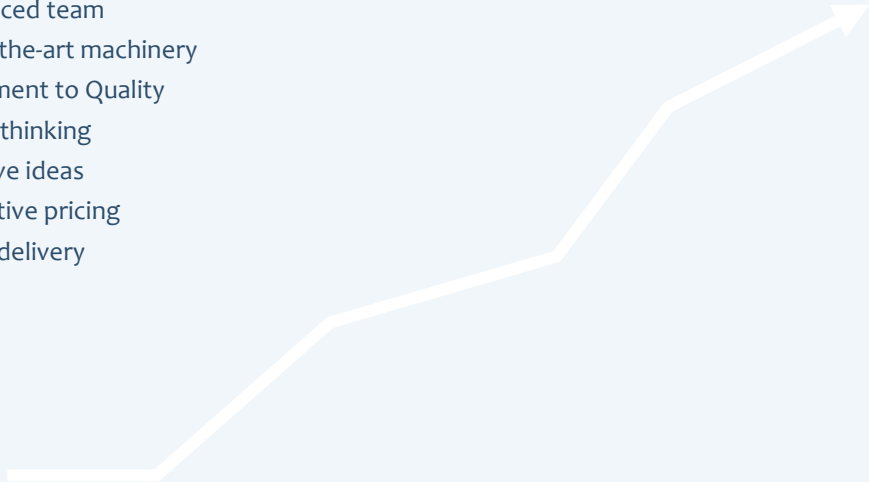

# Competitive Advantage

Laboratory Solutions takes pride in bringing to market a combination of best practices in concept, design, planning, production and project execution. Our dedicated team of individuals strive at offering quality product at a competitive price with exceptional customer service.

Our strengths :

- ◇ Experienced team
- ◇ State-of-the-art machinery
- ◇ Commitment to Quality
- ◇ Creative thinking
- ◇ Innovative ideas
- ◇ Competitive pricing
- ◇ On time delivery

# Products

Laboratory Solutions provides comprehensive laboratory furnishing solutions for customers to either build a new lab or revamp existing laboratory. Our range of products cater to needs and requirements of small and large facilities in varying market segments that includes Industrial, Institutional, Educational, Medical, Pharmaceutical, Research, Hospitality to name a few.

Our factory is equipped with the latest in precision machinery and software to provide customers with fast turnaround and quality craftsmanship. Our product quality and finish is second to none!

## ***Laboratory Casework***

LEAP offers an extensive range of laboratory casework, manufactured and assembled in its facility. Our casework is made of core material and hardware sourced from European suppliers. Our range of cabinets provide different storage options based on unique customer requirements.

## ***Fume Hoods***

LEAP offers a variety of fume hoods for different applications. Our fume hoods are EN and ASHRAE tested and certified. Our fume hoods offer safe work environment by containment of hazardous fumes and protecting air quality in laboratories. Our range include bench top, floor mounted and mobile fume hoods.

In addition to casework and fume hoods Laboratory Solutions also fabricates different types of worktops including epoxy, phenolic resin, stainless steel, solid surface, maple tops, etc.

## Services

What differentiates Laboratory Solutions from other manufacturers is its ability to provide pre-sale post sale services. commissioning . Our team of designers and planners can work with customer to understand their specific requirements and offer a suitable product offering.

Our sales team provides necessary technical and commercial information to customers and keep them informed at every stage. Product specifications, detail drawings, data sheets, marketing literature, certifications and test results are available for presenting as per project requirements.

At design stage customer is provided with detail layout and elevation drawings, 3D rendered views and walkthroughs. This helps in visualizing the facility before layout is finalized. These drawings also help in selecting other laboratory finishes by architects and interior designers.

Laboratory Solutions has several years of combined experience with specialized crew on hand to execute projects, be it a simple educational lab or a complex research or industrial laboratory, our team considers each project with utmost importance. Our service team works closely with customers at every stage of the project.

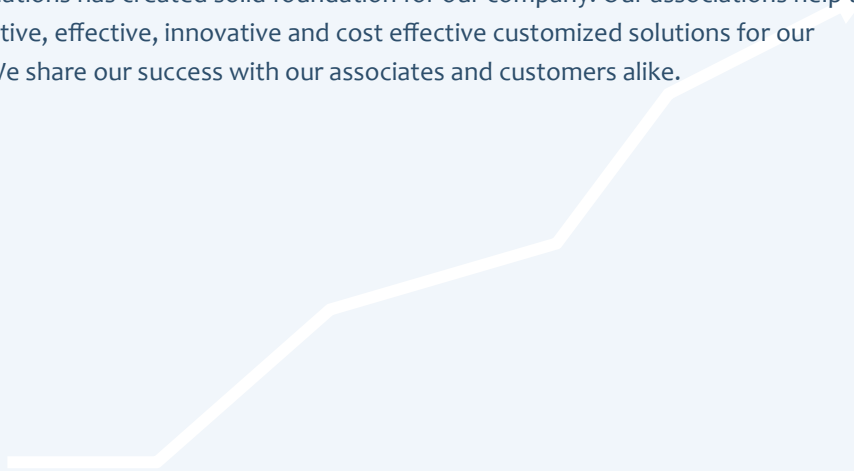

# Associations

Laboratory Solutions FZC has collaborated with industry leading partners to incorporate best practices in casework production. Our association with several European vendors help us offer quality product and at the same constantly improve our offerings.

Our associations provides us with unique ability to offer the best solution to the customer, comprising of a vast range of products including flexible systems furniture and fume hoods.

Strong associations has created solid foundation for our company. Our associations help us produce creative, effective, innovative and cost effective customized solutions for our customers. We share our success with our associates and customers alike.

# Work Methodology

Laboratory Solutions believes in constant innovation and improvement. The work process and methodology implemented helps us successfully manage and accomplish our goals and those of our customers.

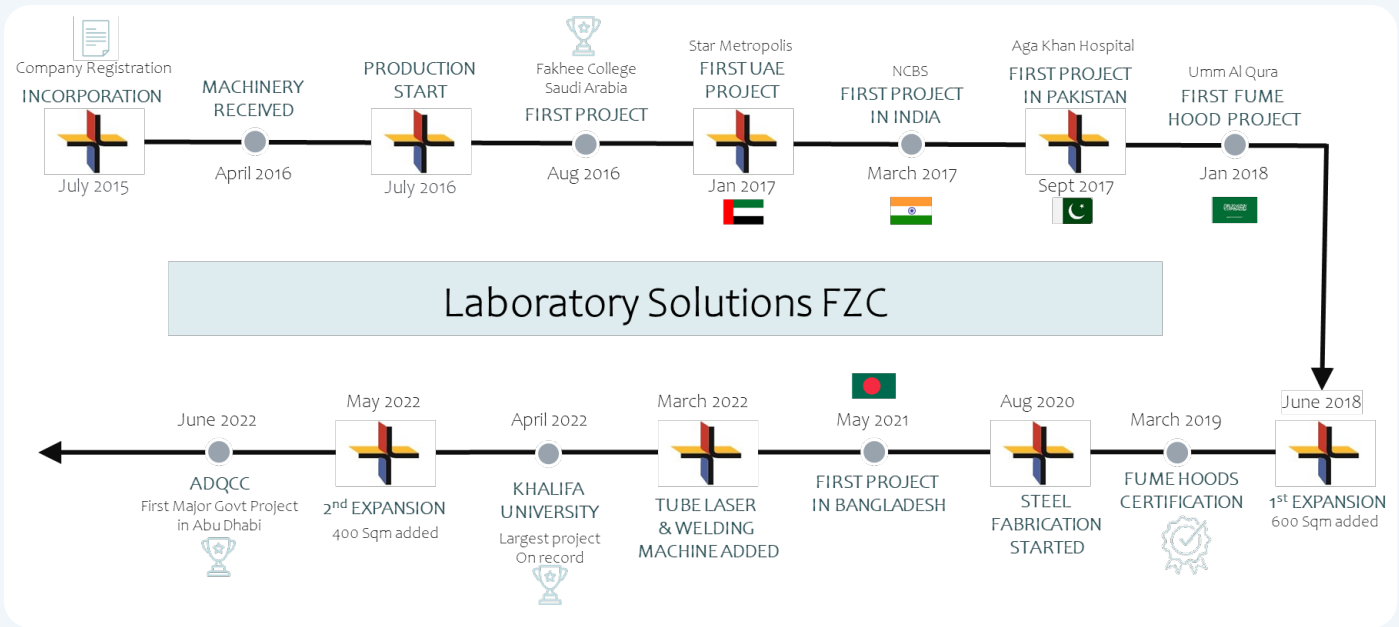

Commitment to quality is the core of our business process. We strive to maintain flexible manufacturing practices that helps us adapt to emerging market realities.

Laboratory Solutions has implemented ERP across its business functions. This has set us on path to further improve internal procedures, identify deficiencies and take corrective actions. Our company is ISO certified and we are in the process of attaining relevant SEFA certifications.

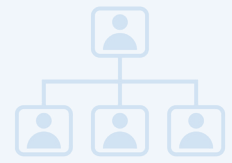

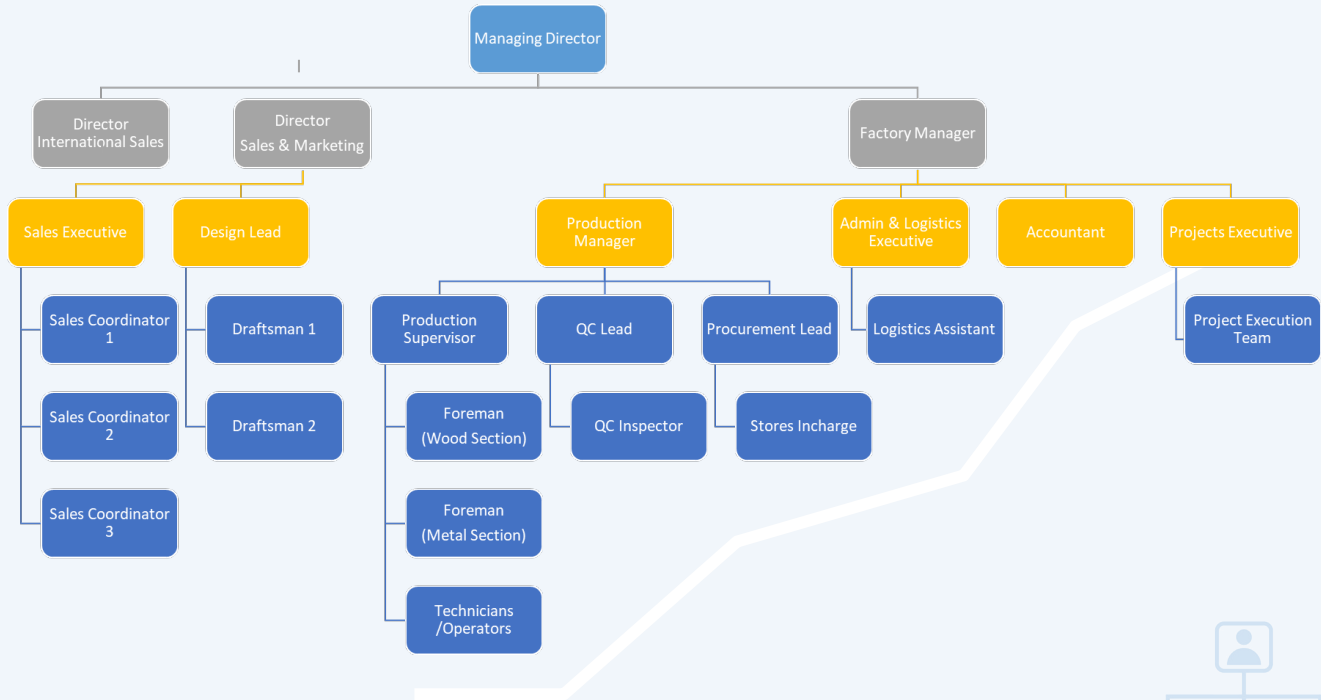

Laboratory Solutions emphasizes on constant product development. Our philosophy is to offer product and service of exceptional quality and value to our customers. This philosophy is backed by hard work and years of experience in the field.

# Machinery & Equipment

Laboratory Solutions operates from a 1800 Sqm production facility in Sharjah Airport International Freezone (SAIF) Zone. The facility is equipped with state of the art fabrication machinery and equipment.

Below is a partial list equipment and their country of origin:

- ◇ CNC—Germany
- ◇ Beam Saw—Germany
- ◇ Panel Saw—Germany
- ◇ Edge banding Machine—Germany
- ◇ Dowelling Machine—Italy
- ◇ Dust Extraction System—Germany
- ◇ Electric Crane—Germany
- ◇ Carcuss Press 1 & 2—Germany
- ◇ Spindle Moulder—Germany
- ◇ Tube Laser - Germany
- ◇ Laser Welding Machine—China
- ◇ Hydraulic Brake Press—China
- ◇ Compressor 1, 2 & 3—Italy
- ◇ Fork Lift—Japan

# Clientele

Over 100+ successful projects and satisfied clients across several countries including UAE, Saudi Arabia, Oman, Qatar, Kuwait, Bahrain, India, Pakistan, Bangladesh, Sudan.
